

DIVAS RUNNING SERIES RUN CLUB CHALLENGE

The Run Club Challenge is a program created to foster relationships with the local run community. It is meant to be a fun way for clubs to compete against each other. Best of all it is all about women!

Your club is invited to join in the challenge. Beyond winning Club Trophies and individual medals, we want to provide your club with some value to help build a stronger community. Here are some benefits to your club:

- \$10 discount to all club members
- Bring 6 runners and the club/team manager gets free entry
- Bring 12 runners to the race and get a free insert in the virtual event bag to promote your club or club sponsored run and recognition on social media of your involvement
- Bring 18 runners to the race and get a free 10'x10' booth at the Health & Fitness Expo to promote your club or club sponsored run
- Access to the exclusive Club Run Lounge pre / post-race to mingle with the Toronto Run Club community

HOW IT WORKS

Clubs looking to join the Club Challenge need to contact Lindsay Van Gyn at lindsay@gwnevents.com to initiate registration. Once confirmed, your club will be listed on the club list within the registration system. You will receive a password for club members to join your team. The discount will be deducted for each registrant during checkout.

While men are welcome to participate in the event, they are not eligible to participate in the Club Challenge.
